

INTRODUCING

EXTANT EXPRESS 9-DAY SHIPPING

You want it and you want it now. Our Extant Express (QAF) shipping program can make it happen. While the other guys have a 10-day expedited shipping schedule, we'll get it out in nine days or less.* Meet your deadlines, shape up your space, and brighten your day.

At Extant, expect more.

STANDARD LEAD TIMES

Standard lead times are 2-6 weeks for non-customized products.

CUSTOMIZED LEAD TIME

At Extant, we get excited to craft cool fixtures for customized applications. Due to the design and engineering requirements on customized fixtures, longer lead times will be required. No customization or modifications will be accepted for the 9-day quick ship program

**200' maximum per order. Larger orders will be subject to longer lead times.*
